

Q1 How would you describe yourself?

Answered: 42 Skipped: 1

ANSWER CHOICES	RESPONSES
I work in the community surrounding the airport	14.29% 6
I live in the communities surrounding the airport	61.90% 26
I am a pilot who utilizes the airport	7.14% 3
I work at the airport	2.38% 1
I am a member of the Community Advisory Committee (CAC)	0.00% 0
Other (write-in)	14.29% 6
TOTAL	42

#	OTHER (WRITE-IN)	DATE
1	I live in the communities surrounding the airport. Retired. I grew up helping my parents with their plane and flying friends	6/9/2022 1:02 PM
2	I live in the communities surrounding the airport. And, a friend flies there, has pilot license as result of your instruction. Have friends who have enjoyed experience of learning to fly at your airport	6/9/2022 12:31 PM
3	I am with a business that has youth groups at the airport	4/28/2022 2:37 PM
4	A community leader	3/24/2022 12:34 PM
5	Civic volunteer for STNC, LAPD, Neighborhood Watch, church and other causes.	3/22/2022 2:31 PM
6	I live in the communities surrounding the airport and am a student pilot at vista.	3/21/2022 11:18 PM

Q2 Tell us what neighborhood or community you are from. What is your zip code?

Answered: 42 Skipped: 1

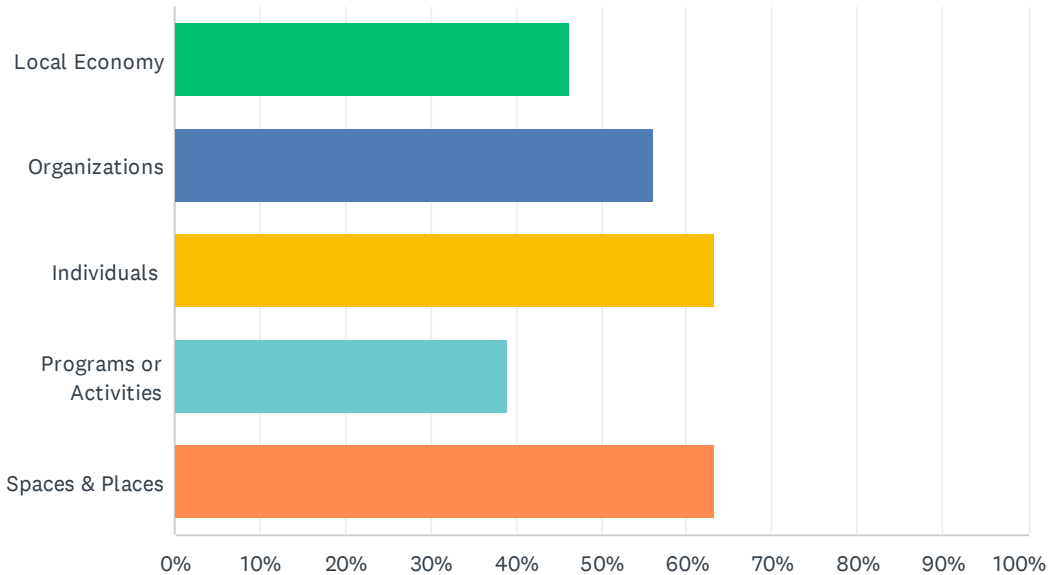

#	RESPONSES	DATE
1	91604	6/9/2022 1:04 PM
2	Panorama City 91402-3125 for 72 years from the end of WWII to today. Both my parents were pilots and I grew up at Whiteman Airport with many friends and their parents.	6/9/2022 1:02 PM
3	91342-5625. Kagel Cyn Resident + Rancher. Many elderly & young families	6/9/2022 12:31 PM

Q4 Engagement (airport/community interactions)

Answered: 38 Skipped: 5

#	RESPONSES	DATE
1	(check mark)	6/9/2022 1:04 PM
2	My parents tied down at the airport as well as their flying club and many still do call Whiteman theirs and homes going back 40 years or more.	6/9/2022 1:02 PM
3	The airport needs to remain as is. People who are complaining about airport noise moved in long after the airport was built. They need to understand this airport is not just about them. It's about the pilots who use it, the passengers and the students who use the airport to learn.	5/22/2022 10:31 PM
4	Our boys are riding in one of the planes this year for the first time. An introduction to aviation.	5/17/2022 2:39 PM
5	More public events at airports would be good. Any kind.	4/28/2022 7:18 PM
6	The airport has great educational programs and they need to be promoted more. The community benefits from civil air patrol, fire fighting equipment and aircraft, news choppers that can quickly be dispatched. Plus history of the Valley	4/28/2022 3:33 PM
7	Whiteman airport currently houses two Exploring posts which serve youth ages 14-20 interested in aviation careers. Over the years, they have taught hundreds if not thousands of youth about the flight, aircraft maintenance, and more leading to many pursuing a career in aviation. I am concerned by losing the airport youth in the community will miss out on the opportunity to learn about aviation or get a leg up in that career field.	4/28/2022 2:37 PM
8	Very Important that any Business is contributing to the Community. We all have to be Good Neighbors.	4/28/2022 2:19 PM
9	I don't care much for it but now I see that their is classes	4/19/2022 9:46 AM
10	There is none that is genuine to the local residents, non profit programming is used as a performative action towards equity. The airport serves a little percentage of our local community.	4/16/2022 7:44 PM
11	Whiteman must be reenvisioned and not shut down. It's a great report and a great resource and a must for our community.	4/12/2022 6:55 PM
12	Does Whiteman hold any pro-aviation events at the airport that could better be publicized?	4/12/2022 6:41 PM
13	The County Public Works Dept/Airport Division is only engaged now that the community has asked for the closure of Whiteman.	4/1/2022 11:06 AM
14	Great youth programs at the airport	3/24/2022 6:45 PM
15	That I have been here that it's almost 3 years or more I have never seen an event neither have I ever participating in one	3/24/2022 2:24 PM
16	I would like more engagement with local schools to help encourage kids to study aviation and engineering.	3/24/2022 1:48 PM
17	I would like to see more of this. I have learned of many wonderful programs at the airport. I have also learned that my friends participated in those programs! A good friend of mine learned to fly with the women's group. When I speak to leaders who work with youth, they all know about the youth programs at the airport. However, I don't think the general public is as aware. I think it should be more inviting and the County should invest significant money in these programs to get our youth and community involved.	3/24/2022 12:50 PM
18	Great aviation programs for youth and women.	3/24/2022 12:34 PM
19	Planes in area all fly too low. Please respect the airspace for residents.	3/24/2022 10:46 AM
20	No issues	3/24/2022 10:43 AM

FEEDBACK FORM Re-envisioning Whiteman Airport: A Community-driven Process

21	They provide essential landing and airspace for planes and helicopters.	3/23/2022 8:35 PM
22	I think the airport is extremely important to this area. It provides a large number of local jobs, is the location of the Civil Air Patrol and provides airplane training programs for mechanics.	3/23/2022 4:41 PM
23	If more community meetings /or functions could be scheduled at the airport meeting rooms /or facilities, it would help the surrounding community see it as a more "neighborhood-friendly" environment. Right now, many of the Pacoima locals see it merely as a "for-profit" industry that has no benefit to them. Also, more advertising could be done on a local level for the various organizations /or groups that meet there regularly. Perhaps local people would be interested to join some of those groups.	3/23/2022 3:17 PM
24	We like to be involved in Whiteman functions as they need more.	3/23/2022 12:42 PM
25	Other than seeing the small airplanes fly over my house, I have had very little interaction with the Airport	3/23/2022 12:30 PM
26	Whiteman provides a valuable asset to our community	3/23/2022 11:30 AM
27	Diverse activities, historic consistency,	3/23/2022 10:58 AM
28	Annual visit to immediate nearby schools (including charters) as volunteer airport personnel allows.	3/22/2022 4:50 PM
29	I have family members that have resided in the San Fernando Valley Gardens since it's opening in 1955. My families first hand experience was that the airport used to have free airplane rides and field trips for children from the local school. All long time residents in the gardens and neighboring area Pacoima/Arleta they have never found it to be a nuisance.	3/22/2022 2:59 PM
30	It's sad more people don't seek community engagement. In S-T, we open STNC board candidacies to everyone and advertise them heavily to all demographics. Still, too few run for office—primarily because the City of LA makes it so arduous to do so. Whiteman Airport is being used ad a money-earning tool by Monica Rodriguez. Don't think she cares about anyone else but her election chances! She constantly puts her face on every local activity, even if she had little to do with making it happen. The Whiteman controversy is getting her donations now, and will make her, her family and her election campaign RICH RICH RICH when she closes it and land developers take it over and stuff it with homes, apartments and a few thousand cars.	3/22/2022 2:31 PM
31	There could be more interaction and events at the airport! I	3/22/2022 10:01 AM
32	I am a student pilot at Vista and I love the staff. I am a first-generation American that has the opportunity to learn how to fly in my backyard.	3/21/2022 11:18 PM
33	So pleased by community offerings at the airport.	3/19/2022 12:23 PM
34	Would love to see more interactions between the airport and community. The airport has a lot to offer!	3/10/2022 3:03 PM
35	I had a friend who kept his airplane there.	3/9/2022 8:36 AM
36	My husband is in aviation. The airport is an important part of the community	3/8/2022 3:23 PM
37	The is no engagement from the airport administration with the community whatsoever, nor from the owners of planes. We just see some old banners about open house days.	3/4/2022 10:23 AM
38	Whiteman Airport is a nuisance. I don't see how having the airport there helps the community. I see it as a recreational space that higher income individuals can come to to fly their weekend planes. I understand that lapd and news stations use it but I think it should be limited to that. or overall removed.	3/3/2022 2:54 PM

Q5 Community Safety

Answered: 36 Skipped: 7

#	RESPONSES	DATE
1	There is security to protect not only the property and planes but also to help people safe from the trains and auto traffic	6/9/2022 1:02 PM
2	The airport is safe. The community should be happy to have the airport there.	5/22/2022 10:31 PM
3	No worries as regards the airport.	5/17/2022 2:39 PM
4	Aviation is not a safety problem. Those who say otherwise are not the majority. Safety patrols by police helicopters are welcomed by most residents.	4/28/2022 7:18 PM
5	Working in the area, i worry about increased traffic if the land were developed into housing. This will add to pollution, noise, vehicle and train accidents.	4/28/2022 3:33 PM
6	The Health and Safety of Everybody is the number 1 issue.	4/28/2022 2:19 PM
7	Their is a police officer around the area but still it is not safe	4/19/2022 9:46 AM
8	There is constant fear of an air craft from private aviation users. There is a huge lack of consideration to pacoima residents	4/16/2022 7:44 PM
9	Whiteman doesn't affect the safety of our community. Why not put it under the World Airports, like LAX, for example? Is it easier to close?	4/12/2022 6:55 PM
10	The airport has very similar safety track-record to other LA County owned airports.	4/12/2022 6:41 PM
11	Whiteman Airport and its runways are substandard by FAA requirements and encompass residential areas in its parameters.	4/1/2022 11:06 AM
12	Police and fire are located there. Need them to remain	3/24/2022 6:45 PM
13	Honestly this is what the community is missing is more safety you can go to the park you can enjoy yourself the pollution around us and also the parks are bad the community is unsafe	3/24/2022 2:24 PM
14	I see no safety issues any different from other airports.	3/24/2022 1:48 PM
15	I have no concerns about safety but those 2 crashes were a bit jarring. I went to the airport and was surprised that it wasn't nearly as loud or scary as it had been made out. I heard that Pacoima Beautiful is working hard to scare the community so they will shut it down.	3/24/2022 12:50 PM
16	I feel community safety is the same with Whitman as there is with VN airport.	3/24/2022 12:34 PM
17	We are residential and commercial but the airport is incompatible with residential in this location.	3/24/2022 10:46 AM
18	Terrible	3/24/2022 10:43 AM
19	It keeps the 5G interruption to a minimum, and allows us to use the internet with minimum airplane interuption.	3/23/2022 8:35 PM
20	I don't feel that this property contributed to increased crime or danger. It's close to the Foothill Station and is located behind fences.	3/23/2022 4:41 PM
21	Send out information to the community to let them know about the restricted flight pattern that is required for this airport, in order to not interfere with the Burbank Airport flight path. That may take away some of the fears when they hear aircraft near-by overhead. Put the power lines underground at the north end of the airport, so that those are not an issue for aircraft coming in for a landing at Whiteman Airport. And be shure that there are red beacon lights (or appropriate approach lights) on the tops of the buildings above that last bit of approach to the runway.	3/23/2022 3:17 PM
22	In our community, they need more safety policies and training.	3/23/2022 12:42 PM

FEEDBACK FORM Re-envisioning Whiteman Airport: A Community-driven Process

23	There is nothing inherently unsafe about the airport.	3/23/2022 12:30 PM
24	Whiteman is safer than street traffic	3/23/2022 11:30 AM
25	Not an issue. The odds of getting injured driving to the grocery store are far greater than injury from the airport. The airport was there before the community chose to build next to it.	3/23/2022 10:58 AM
26	Whiteman Airport has the USAF Civilian Air Patrol and a program to transport very needy patients to remote places for medical care at no cost to the needy patients.	3/22/2022 4:50 PM
27	The community safety has minimal impact due to the airport and when considering against other small and medium airport it has a good safety record. I know many long time previous and current residents from Pacoima and none have complained that they have physical conditions due to the airports proximity. In fact my wife grew up in the San Fernando Gardens and has no health issues and I grew up in San Fernando and have asthma.	3/22/2022 2:59 PM
28	Leaving Whiteman open leaves in place an airfield from which, in emergencies, police, fire and EMS aircraft and copters can land and take off.	3/22/2022 2:31 PM
29	It's been safe! A council member made a big deal about one/two accidents... there's far more problems with the metro link and homeless in the area!!!	3/22/2022 10:01 AM
30	The airport is not a concern. Pacoima Beautiful is teaching racism to the communities. That is detrimental to the morale of societies.	3/21/2022 11:18 PM
31	Having LA Fire at the airport increases community safety.	3/19/2022 12:23 PM
32	The hazards posed by the local roads and freeways have injured and killed exponentially more than any activity associated with the airport. Also Cal Fire depends on the use of the airport! Let's provide our first responders with the support they need!	3/10/2022 3:03 PM
33	I'm not at all concerned about the airport posing a safety hazard to the community.	3/8/2022 9:15 PM
34	Homeless people make me feel less safe in my community	3/8/2022 3:23 PM
35	Airplanes periodically crash, so it is quite unsafe. Also the noise is constant everyday.	3/4/2022 10:23 AM
36	NOT SAFE AT ALL!!!! People flying planes and crashing into houses, railroad tracks, cars. Its not okay! Is this only allowed because of where we live? How many of the people flying those planes are from this area anyway? I would be interested to know that.	3/3/2022 2:54 PM

Q6 Crime & Security

Answered: 28 Skipped: 15

#	RESPONSES	DATE
1	The airport has security around the clock but criminals will break in and steal and destroy at anytime. They have no regard for private property or anything that does not belong to them.	6/9/2022 1:02 PM
2	Increase	5/24/2022 8:34 PM
3	The airport most likely decreases crime in the area	5/22/2022 10:31 PM
4	Serious problems include: Crime. Drunk driving accidents, and street racing. Pedestrian hit-and-run accidents. Drug abuse. Homelessness. But not aviation.	4/28/2022 7:18 PM
5	No Neighborhood will ever Grow unless it is Safe and free of Crime.	4/28/2022 2:19 PM
6	The security is ok	4/19/2022 9:46 AM
7	Whiteman creates a lack of true opportunity to serve the safety in our pacoina community by being a small standard airport. There can be a better use of the occupied land through true local community input.	4/16/2022 7:44 PM
8	Whiteman has nothing to do with crime and security. There is plenty of crime and security issues such as lack of proper boundaries between a county lot and the adjacent community more than from Whiteman.	4/12/2022 6:55 PM
9	Sun Valley can improve its response to criminal activity.	4/12/2022 6:41 PM
10	No opinion	4/1/2022 11:06 AM
11	There is a lot of police activity around the Pacoima Middle School elementary school also a lot around my area but that doesn't mean that it makes me feel safe	3/24/2022 2:24 PM
12	I'm surprised there are no homeless at all on the airport property (because there was an encampment at the park right next door. I think it would help if there was airport security or personnel more visible - for safety and also to provide directions, information, etc.	3/24/2022 12:50 PM
13	Crime and lack of security is up across our entire City of Los Angeles.	3/24/2022 12:34 PM
14	Its going up everywhere. So whats new?	3/23/2022 8:35 PM
15	No issues. I feel the property is well managed and shares the concerns of the community.	3/23/2022 4:41 PM
16	If the area around the airport property doesn't already have a roving security guard, it might be good to have one to continually monitor for security at the airport	3/23/2022 3:17 PM
17	Crime is on the rise and we need more education.	3/23/2022 12:42 PM
18	There is nothing that makes the airport more or less of a target for criminals.	3/23/2022 12:30 PM
19	not an issue	3/23/2022 10:58 AM
20	News helicopters and law enforcement helicopters in addition to LA County Fire Department helicopters provide regional Southern California public safety services and information from Whiteman Airport.	3/22/2022 4:50 PM
21	I do not believe the airport impacts the local community security and crime for the negative.	3/22/2022 2:59 PM
22	Because Whiteman is right near Foothill LAPD Station, in emergencies, it can help back up their local public safety work.	3/22/2022 2:31 PM
23	This whole area needs the airport for all the helicopters we have and need in the area. And for wild fires and emergency rescues crews. There's far more good than bad. Only thing is for who ever is in charge of pilot licensing to enforce rules of who fly's. Who doesn't.	3/22/2022 10:01 AM
24	The airport does not cause crime.	3/21/2022 11:18 PM

FEEDBACK FORM Re-envisioning Whiteman Airport: A Community-driven Process

25	The airport brings jobs and capital to the community, driving the local economy and opportunities.	3/8/2022 9:15 PM
26	We need MORE police, not fewer	3/8/2022 3:23 PM
27	The main insecurity around the airplanes comes from planes falling.	3/4/2022 10:23 AM
28	Not secure for families.	3/3/2022 2:54 PM

Q7 Pollution

Answered: 35 Skipped: 8

#	RESPONSES	DATE
1	There is less pollution by planes, helicopters etc than the trains and highway freeway traffic. The planes create minimal exhaust	6/9/2022 1:02 PM
2	Some pollution would be normal from aircraft	5/22/2022 10:31 PM
3	Is anyone working on the power plant issues?	5/17/2022 2:39 PM
4	Pollution of all kinds is a serious problem. Aviation is a small part of it.	4/28/2022 7:18 PM
5	The airport produces minimal pollution in my opinion. The multiple freeways that converge in the area are bigger causes of pollution. At noted above, if the property becomes residential it will equal more vehicles and exhaust.	4/28/2022 3:33 PM
6	Health and Safety is number 1.	4/28/2022 2:19 PM
7	Bad it's really bad	4/19/2022 9:46 AM
8	Air pollution, noise pollution, land contamination through run off of fuel	4/16/2022 7:44 PM
9	Again, pollution comes not from Whiteman but from quite a bit of recycling plants, landfills, irresponsible businesses, unregulated commercial enterprises, and more. NOT FROM WHITEMAN.	4/12/2022 6:55 PM
10	The airport is probably the least of our worries when it comes to pollution generation.	4/12/2022 6:41 PM
11	We are still waiting for air monitoring to begin. There are 2 oil recycling stations at the airport	4/1/2022 11:06 AM
12	Minimal relative to the local freeways	3/31/2022 1:52 PM
13	Based on available studies the air quality is the same or better than Northridge.	3/24/2022 6:45 PM
14	Is bad the quality of the pictures come out on because of all the pollution around as I can't breathe I have asthma the people that live around here also have that problem	3/24/2022 2:24 PM
15	There are many sources of pollution in the area. I would think the airport is not a major contributor.	3/24/2022 1:48 PM
16	I would like to know more about this. I also think it's important to get comparisons on pollution now vs. pollution for high density housing. Or pollution now vs. a significant commercial center in its place. Or pollution now vs. whatever we are thinking of adding or changing. And also compare the congestion. When school gets out, it is very, very crowded on those streets and so many kids live in the neighborhood. Increasing traffic significantly does not seem safe.	3/24/2022 12:50 PM
17	Currently pollution is across our entire City of Los Angeles not just in one location.	3/24/2022 12:34 PM
18	Planes are known to drop fuel over residents and soils contaminating our land and known to result in health problems.	3/24/2022 10:46 AM
19	Like everywhere else	3/24/2022 10:43 AM
20	Not a problem as of now soon enough we will have more flying over Arleta if this closes down	3/23/2022 8:35 PM
21	Compared to larger airports, I don't think Whiteman is any better or worse.	3/23/2022 4:41 PM
22	There is probably more pollution occurring in the area from local industrial businesses and cars and trains than from the airplanes themselves. However, converting the fuel used at Whiteman to the newer "unleaded" fuels would probably be a good idea. The airport itself could have a lower carbon footprint than the surrounding streets (IF it doesn't already qualify in studies recently done.)	3/23/2022 3:17 PM
23	Not really an impact	3/23/2022 12:42 PM

FEEDBACK FORM Re-envisioning Whiteman Airport: A Community-driven Process

24	Besides the exhaust from small aircraft, there is no pollution. Aviators use this airport for the convenience. If the use of the airport goes away, the aviators are going to move their airplanes farther away and create more pollution getting to and from their new locations.	3/23/2022 12:30 PM
25	not an issue	3/23/2022 10:58 AM
26	If there are 35,000 people in Pacoima that does not take into account the surrounding communities' population. In Pacoima alone there can be at the minimum 70,000 vehicles if there are 2 automobiles from each household. Those automobiles run day and night and contribute to far greater pollution than the airport does. Then the region has about 4 freeways with standstill traffic at rush hours aside from regular particulate matter released from diesel vehicles.	3/22/2022 4:50 PM
27	I believe there are other local and surrounding area business and general traffic that impact the environment much, much worse than the airport therefore minimizing it's impact in comparison.	3/22/2022 2:59 PM
28	It takes only 8th grade math to understand that the few airplanes that Whiteman launches and lands every day don't put out even 1/10 of the pollution that the thousand+ cars that new development will bring.	3/22/2022 2:31 PM
29	Unaware of issues	3/22/2022 10:01 AM
30	There are various industries in that area that contribute to pollution.	3/21/2022 11:18 PM
31	The pollution caused by cars is far more of a problem than the type of aircraft operating out of Whiteman.	3/10/2022 3:03 PM
32	The airport is not at all a concern from a pollution perspective,	3/8/2022 9:15 PM
33	Homeless people make a mess in the community. Derelict RVs parked everywhere	3/8/2022 3:23 PM
34	Noise and chemical pollution is a big issue when having the airport in operation.	3/4/2022 10:23 AM
35	Air pollution noise pollution etc. I dont know too much on this topic but I would like to know more about air pollution.	3/3/2022 2:54 PM

Q8 Noise (from aircraft)

Answered: 37 Skipped: 6

#	RESPONSES	DATE
1	The planes do not make excessive noise compared to the trains and their horns and track noise at all hours. The airport has restricted hours, etc.	6/9/2022 1:02 PM
2	It's an airport. There will be noise. People who all of a sudden want the airport gone should think about the big picture and not just themselves.	5/22/2022 10:31 PM
3	No issue.	5/17/2022 2:39 PM
4	Aircraft noise is only a problem when police and fire helicopters fly fast and low, usually during an emergency, which is acceptable. Noise in the community is a much bigger problem with cars and motorcycles modified to make noise, and loud music from car radios and live bands.	4/28/2022 7:18 PM
5	I work essentially across the street and barely notice aircraft noise. The trains on the other hand can be disruptive, but i still appreciate their purpose.	4/28/2022 3:33 PM
6	There is many ways to "baffle" noise and again Airport has to be a good Neighbor.	4/28/2022 2:19 PM
7	Sadly sometimes u can't enjoy the peace and quiet	4/19/2022 9:46 AM
8	The private aircraft operations are Disturbing and inconsiderate of our resting hours for our community	4/16/2022 7:44 PM
9	There is more noise from Burbank airport than from Whiteman. Whiteman has no noise issues, neither in Pacoima nor in Sun Valley. Whiteman is located in an area with only a handful of residential properties. There is no noise disturbing us.	4/12/2022 6:55 PM
10	not an issue.	4/12/2022 6:41 PM
11	This is a significant issue and little has been done to mitigate its effects on local residents.	4/1/2022 11:06 AM
12	Waaaay less that Burbank Airport	3/31/2022 1:52 PM
13	Minimal	3/24/2022 6:45 PM
14	You can't even hear yourself think sometimes you can't go to the park because it's too close to close to the airport that you can not enjoy	3/24/2022 2:24 PM
15	The only noise from there that bothers me comes from the large fire department helicopters. I don't mind them though.	3/24/2022 1:48 PM
16	I haven't noticed this. Also where do the planes land/take off compare to where the houses are? Couldn't they be directed to not do that near the homes, but on the empty and commercial sides? And a reasonable schedule for activity (exceptions for emergencies) should be done too. I heard that the pilots already came up with some good ideas for decreasing the noise. Should implement that.	3/24/2022 12:50 PM
17	Anyone who moves near an airport must except aircraft noise. Don't like it? Then move. But don't close the airport.	3/24/2022 12:34 PM
18	My tv is interrupted by planes flying over which is very concerning. Planes fly too low and outside the flight path.	3/24/2022 10:46 AM
19	No issues	3/24/2022 10:43 AM
20	Minimum as of now.	3/23/2022 8:35 PM
21	I don't live close enough to have an opinion on the noise.	3/23/2022 4:41 PM
22	Instruct pilots to make as little noise as possible for take-offs.	3/23/2022 3:17 PM
23	Not a problem, we love aircraft!	3/23/2022 12:42 PM

FEEDBACK FORM Re-envisioning Whiteman Airport: A Community-driven Process

24	Little Planes make little noises. Living equal distance from the Burbank Airport and Whiteman Airport, I never hear any noise from Whiteman, but I can hear the aircraft throw on the reverse thrust from Burbank.	3/23/2022 12:30 PM
25	Negligible	3/23/2022 11:30 AM
26	The noise from police and fire and news crew aircraft far exceed all other	3/23/2022 10:58 AM
27	Not louder than speeding motorcyclists or 8-cylinder Dodge Chargers and 8-cylinder trucks of all manufacturers.	3/22/2022 4:50 PM
28	The only recommendation other than emergencies there may need to be restrictions on flight times that align with the local metrolink system hours of operation.	3/22/2022 2:59 PM
29	Yes, they're noisy. But modern engines' baffling makes them quieter. Pilots exit the area as fast as possible. And they only rev when they take off. When planes land, they're essentially "coasting," which is far quieter. And why did Whiteman's noise only become an issue when CD7 told people they should worry about it.	3/22/2022 2:31 PM
30	Its not that bad compared to metro link trains or traffic in that area	3/22/2022 10:01 AM
31	Aircrafts will have noise and city planners needed to account for that when building next to the airport.	3/21/2022 11:18 PM
32	I personally love the sound of airplanes! I love to see the joy in a child's eyes when they point to sky and say "airplane!"	3/19/2022 12:23 PM
33	The noise is not an issue. People who don't like the sounds of aircraft should not move next to an airport that's been there since 1946!	3/10/2022 3:03 PM
34	There are no issues from aircraft noise. It's an airport that was built in the area well before the urban sprawl encircled it. Anyone living in the community now immediately next to the airport moved here when the airport was already well established. Why move here if you don't like airports?	3/8/2022 9:15 PM
35	I used to live down the street from the airport and it wasn't a problem	3/8/2022 3:23 PM
36	Everyday and constant.	3/4/2022 10:23 AM
37	It is very bothersome especially on the weekends. We deserve quite mornings. not piercing engines of these old planes they are flying. We already have noise from the LAPD station and the train running through the area. add to that the noise from the airport, its all just too much.	3/3/2022 2:54 PM

Q9 Land Use (ways airport land can be used)

Answered: 38 Skipped: 5

#	RESPONSES	DATE
1	It is so hard to overlook the greed of many who only see possible riches when everything is destroyed and they can create anything the wish - it's all about the money	6/9/2022 1:02 PM
2	It should stay as an airport. If it doesn't the surrounding area will gentrify and the people who are complaining about the noise will be displaced through rising rents.	5/22/2022 10:31 PM
3	As an airport.	5/17/2022 2:39 PM
4	The best use of airport land is as an airport. People who say otherwise are not the majority.	4/28/2022 7:18 PM
5	The airport can stay as is - and certain parts could be developed for community benefit. It definitely has seen better days and needs a clean up.	4/28/2022 3:33 PM
6	There is a shortage of Industrial Buildings in the San Fernando Valley. The land could be used for Airport related uses and create good paying jobs for the Communities.	4/28/2022 2:19 PM
7	For a community garden and a youth center	4/19/2022 9:46 AM
8	Green spaces, parks, restoration of land, schools, affordable housing	4/16/2022 7:44 PM
9	Airpot should be used as an airport. Whiteman should be made better and not shut down.	4/12/2022 6:55 PM
10	We have many vacant areas that can be used before we would need to close the airport.	4/12/2022 6:41 PM
11	Almost 200 acres of land exist that can be better used for parks and recreation, affordable housing, community serving retail, and job creating green and sustainable light industry jobs	4/1/2022 11:06 AM
12	Given the location of the fire department facilities, this area is not suitable for parks or leisure time activities, similarly for residences. Industrial/commercial development would appear to be the only viable options	3/31/2022 1:52 PM
13	Use it as an airport	3/24/2022 6:45 PM
14	Of course is very beneficial for us to still keep the emergency helicopters and the news anchors and Fire Department I want to see a youth center with free activities for kids of all ages a summer youth program to teach them about credit cards financial establishment cooking and maybe driving also a community garden that sells on the weekend like a farmers market	3/24/2022 2:24 PM
15	I want the airport to stay an airport.	3/24/2022 1:48 PM
16	I am totally opposed to shutting down the airport. The Northeast Valley actually has something that is valuable and rare. I think we should be funneling the money from the plane owners for storage right back to the community. I think we should be teaching OUR kids how to fly, OUR kids the technical skills to fix airplanes, mechanics, engineering, etc, OUR kids airport administration, and OUR kids how to budget for and own an airplane, OUR kids how to work for the airport or public works division of the County. It's not us against anyone - It's how do we raise our community to reach every level of society? I think that pilots tend to be leaders and I want to break the ceiling and put our community, which includes low-income, under-represented, under-resourced, Latina/o and African American and more, in those positions. We can do this with the airport remaining as it is. I would like to see the County invest in these programs. The North Valley Occupational Center has an Aircraft Mechanic Technical Program at Van Nuys Airport. Why not at Whiteman? Glendale Community College has a pilot training program at Whiteman? Why not invest in that program so that students at Mission College and Valley College can participate? Santa Monica Airport has a Flying Museum. Why can't we have a museum honoring the Tuskegee Airman - showing our kids that they can succeed and be great! Santa Monica also has creative space for lease. Both airports have many small businesses renting offices. We can have farmer's markets and small business pop ups. They can get a jogging trail in the hills. The County is willing to spend billions to shut Whiteman	3/24/2022 12:50 PM

FEEDBACK FORM Re-envisioning Whiteman Airport: A Community-driven Process

Airport down and hand out the money to developers - give the money to invest in us. I would also like to see a few County buildings on the property so that we never have to go to downtown LA (taking time off work, in hours of traffic, and paying \$20 for parking) to access County resources. I do not think it is appropriate to cram low-income or high-density housing right between San Fernando Gardens and the Pierce Street apartments. Nor is it treating people with dignity. All the studies show that it is a bad idea to force low-income high-density housing. And the Airport is literally adjacent to one park, across the street from another park, and one block from a third park. Pacoima needs green space, but not right next to green space.

17	The land at Whiteman airport needs to be used for aviation programs for youth, women, as well as for aircraft.	3/24/2022 12:34 PM
18	Ecological restoration and public enjoyment. Public community gardening.	3/24/2022 10:46 AM
19	Leave it be	3/24/2022 10:43 AM
20	Leave it as is. Less congestion for air space	3/23/2022 8:35 PM
21	I think Whiteman should not be developed for any use but as an airport.	3/23/2022 4:41 PM
22	In regard to the suggestion for "open space". There are already 2 parks in the immediate vicinity (David Gonzales Recreation Center just to the north and Roger Jessup park to the east. In addition, the large park and open space at Hansen Dam is very near-by.) Placing Housing or other facilities there is probably not a good idea, due to the repeated train traffic on the west side of that property (The trains are required to sound their warning horns at street crossings at both the north and the south ends of the airport property. I suggest keeping the airport intact (although make improvements to bring it up to regulations); ad a larger public meeting room; and make provisions to put in a good quality restaurant on the property, where the public would want to take friends and family to eat. (Any good restaurant would want the license to serve beer or wine, so be sure licenses are in order for them to be able to do that; but also include a disclaimer that they are not allowed to serve alcohol to pilots who will be flying within the next 2 hours.)	3/23/2022 3:17 PM
23	Variety of safety and community awareness programs.	3/23/2022 12:42 PM
24	Yes, the land that is now the airport could be transformed into a lot of different things. But first the land would have to be cleared and the soil would have to treated for the 76 years of jet fuel and manufacturing waste that has leaked into the soil / ground water. Before starting anything, and EIR must determine if there is a problem and funding for this clean must be secured before shutting down the facility or the facility will sit empty for years and a bigger blight will take it over. Go ask Burbank how much the soil treatment cost them when Lockheed left in 1991.	3/23/2022 12:30 PM
25	Having a community airport is important to me	3/23/2022 11:30 AM
26	Use as an airport. Other use would be disingenuous land theft.	3/23/2022 10:58 AM
27	Keep as is.	3/22/2022 4:50 PM
28	The airport use should remain the same only adding an aeronautics academy for local Northeast Valley students to be exposed to and explore the many opportunities in the field.	3/22/2022 2:59 PM
29	Increase youth activities, tutoring and home and vocational classes in the less-used sections of the airport.	3/22/2022 2:31 PM
30	Land use a joke! More money for developers and politicians!!!	3/22/2022 10:01 AM
31	We don't need another park or more high-rise buildings.	3/21/2022 11:18 PM
32	The green space at Whiteman is great. How about a park on the airport grounds where families could watch airplanes and picnic?	3/19/2022 12:23 PM
33	Keep the airport! That's the best use of the land, bar none.	3/10/2022 3:03 PM
34	Keep the airport.	3/9/2022 8:36 AM
35	Build a safety buffer around the airport to improve safety for aircraft operations.	3/8/2022 9:15 PM
36	As an airport!	3/8/2022 3:23 PM

FEEDBACK FORM Re-envisioning Whiteman Airport: A Community-driven Process

37	The airport should be reverted to being a park or a green area, with some of the land being used for real affordable housing, which is much needed in the San Fernando Valley.	3/4/2022 10:23 AM
38	I would like a nice place to walk enjoy the area and workout. I like the walkway that is there currently but being by the airport makes it not pleasant. Memorial for the native americans who inhabited this land.	3/3/2022 2:54 PM

Q10 Public Amenities (community services and space)

Answered: 33 Skipped: 10

#	RESPONSES	DATE
1	The airport teaches children and adults how to fly and houses critical services for the whole area. Base for helicopter reporting of roads, fire authority, emergency evacuation of people who need these forms of help.	6/9/2022 1:02 PM
2	More traffic	5/24/2022 8:34 PM
3	Leave it as an airport.	5/22/2022 10:31 PM
4	It would be great to enhance the community serving rooms and make them available to nonprofits for events and activities. Free public parking in the neighborhood would be fantastic.	4/28/2022 3:33 PM
5	The Airport must be a good Neighbor we have to Balance, Business and the needs of the Community	4/28/2022 2:19 PM
6	Green space	4/19/2022 9:46 AM
7	Remove private operations and put a curfew on the aircraft flight operations. The space historically serves integrated aviation communities.	4/16/2022 7:44 PM
8	Again, Whiteman can be made better. NOT SHUT DOWN	4/12/2022 6:55 PM
9	We need more!	4/12/2022 6:41 PM
10	Even if the entire airport, except the emergency uses, were converted to park and recreational space, many more residents would benefit and enjoy it than currently use it.	4/1/2022 11:06 AM
11	Use it as an airport	3/24/2022 6:45 PM
12	Community garden how to garden vegetables	3/24/2022 2:24 PM
13	Restaurants with local owners would be nice.	3/24/2022 1:48 PM
14	See above.	3/24/2022 12:50 PM
15	Basically same as my previous answers.	3/24/2022 12:34 PM
16	Ecological restoration.	3/24/2022 10:46 AM
17	Leave it as is, have young pilots or aspiring pilots train there.	3/23/2022 8:35 PM
18	It's a private facility and isn't structured to provide community services and space. Security would be compromised and 'p	3/23/2022 4:41 PM
19	Yes, build a larger community meeting space (and provide sufficient parking for use by all expanded amenities that you will allow.)	3/23/2022 3:17 PM
20	Use the airport for more public awareness programs and/or emergency services.	3/23/2022 12:42 PM
21	How will this new site transform the community to use these amenities. What amenities will be created that are not in the community already?	3/23/2022 12:30 PM
22	A restaurant on site would be nice	3/23/2022 11:30 AM
23	No	3/23/2022 10:58 AM
24	Another restaurant would be nice.	3/22/2022 4:50 PM
25	The airport use should remain the same only adding an aeronautics academy for local Northeast Valley students to be exposed to and explore the many opportunities in the field. Continued quarterly open house days and offering free flight experience.	3/22/2022 2:59 PM
26	See #9 and #16 below.	3/22/2022 2:31 PM

FEEDBACK FORM Re-envisioning Whiteman Airport: A Community-driven Process

27	Unaware	3/22/2022 10:01 AM
28	You can ADD to the airport a community center or a detachment from a local trade college.	3/21/2022 11:18 PM
29	It would be great to have a restaurant at the airport or build a better observation area to watch planes taking off and landing. Van Nuys has a viewing area like this, and it's great!	3/10/2022 3:03 PM
30	There are already numerous parks and public spaces in the community.	3/8/2022 9:15 PM
31	Jessup Park is next door. There should be amenities there	3/8/2022 3:23 PM
32	Create a community center	3/4/2022 10:23 AM
33	A museum, a garden, a park, a man made lake with a fountain, a sculpture garden like UCLAs, showcasing local artists. A art space, a music space. very open and green.	3/3/2022 2:54 PM

Q11 Opportunities for Youth

#	RESPONSES	DATE
1	(check mark)	6/9/2022 1:04 PM
2	There is an amazing program for local kids to understand not only the airport but spark their love of flying and possible employment in the future.	6/9/2022 1:02 PM
3	There are a ton of opportunities for youth in this area. Leave the airport as is.	5/22/2022 10:31 PM
4	Free introductory flights for youth should be more common.	4/28/2022 7:18 PM
5	Expanding education programs.	4/28/2022 3:33 PM
6	Whiteman airport currently houses two Exploring posts which serve youth ages 14-20 interested in aviation careers. Over the years, they have taught hundreds if not thousands of youth about the flight, aircraft maintenance, and more leading to many pursuing a career in aviation. I am concerned by losing the airport youth in the community will miss out on the opportunity to learn about aviation or get a leg up in that career field.	4/28/2022 2:37 PM
7	We have to create Jobs so young people can get on a Career Path Not everybody goes to Collage but that does not mean you do not have a Career and have a high Income	4/28/2022 2:19 PM
8	More employment opportunities for the youth and more places for them	4/19/2022 9:46 AM
9	None that serve our community of pacoima on a large scale or equitable in our neighboring history.	4/16/2022 7:44 PM
10	WHITEMAN HAS MANY OPPORTUNITIES FOR FUTURE YOUNG PILOTS. THEY NEED TO IMPROVE THEIR OUTREACH BECAUSE MANY PEOPLE ARE NOT AWARE ABOUT THESE OPPORTUNITIES. THEY GIVE YOUTH A CHANCE TO MAKE SOMETHING OUT OF THEMSELVES. VERY IMPORTANT RESOURCE WHITEMAN IS.	4/12/2022 6:55 PM
11	There aren't enough!	4/12/2022 6:41 PM
12	A sports complex with soccer fields would be a good replacement for the airport.	4/1/2022 11:06 AM
13	Aviation programs	3/24/2022 6:45 PM
14	A center for them some where to call a second home just for them to clean and have a safe haven	3/24/2022 2:24 PM
15	They have many youth services there. I would like to see more.	3/24/2022 1:48 PM
16	Lots more of this. But the government programs and non-profits take all the money, pay their employees and help like one kid per day. There is already a City Pacoima Youth Source. I would ask the County to invest in the programs that already exist at Whiteman Airport so that they can be scaled out. Try it for a couple years. If they thrive, we know it is a good investment. If they don't, we have a plethora of other options. I think the County definitely needs to be giving gas to the pilots who are taking kids on plane rides. They can also invest in full-time instructors for the programs.	3/24/2022 12:50 PM
17	This comes from aviation programs for our youth at Whitman airport.	3/24/2022 12:34 PM
18	Providing outdoor spaces makes communities happier and healthier and stay out of trouble.	3/24/2022 10:46 AM
19	Pilot programs, aircraft control training, bring an airport mechanic program	3/23/2022 8:35 PM
20	I believe there are educational programs offered at the airport and this could be increased.	3/23/2022 4:41 PM
21	There are good programs already in operation at Whiteman. Please encourage all these programs to reach out with information about their programs to local community centers & schools & with mailings to the immediate, neighboring housing communities. Perhaps the County could encourage local schools to advertise these programs. (One of the program	3/23/2022 3:17 PM

FEEDBACK FORM Re-envisioning Whiteman Airport: A Community-driven Process

directors said that in the past they have reached-out to some local schools, but the principals of the school were reluctant to advertise the airport programs; because of the possibility of reprisals toward the school from a parent if a student got injured at an activity that the school had promoted.) As more youth get interested, please ask the leaders of the existing programs to be looking for ways to expand their programs to be able to accommodate a larger influx of interested youth & parents who wish to participate in their programs. Right now, many of the programs are "volunteer programs", with the adults providing the services generously paying-out the costs for doing this out of their own pockets. Perhaps the County would consider subsidizing the pilots for the fuel for youth airplane rides, or subsidizing for some of the materials used for future youth airplane construction projects (or for other such youth program projects. This County support would give both parents and the community residents a better perspective as to the credibility of such programs; and give them a better sense

22	Definitely get the youth involved in the airport policies and/or maintenance.	3/23/2022 12:42 PM
23	How will this new site transform the youth to use these amenities. What amenities for youth will be created that are not in the community already?	3/23/2022 12:30 PM
24	A chance to learn about aviation and learn to fly	3/23/2022 11:30 AM
25	no	3/23/2022 10:58 AM
26	Outreach by volunteer personnel, as available, to contact all nearby schools.	3/22/2022 4:50 PM
27	The airport use should remain the same only adding an aeronautics academy for local Northeast Valley students to be exposed to and explore the many opportunities in the field. Continued quarterly open house days and offering free flight experience.	3/22/2022 2:59 PM
28	Whiteman already does this and has the pilot graduates to prove it. But see my #9 above.	3/22/2022 2:31 PM
29	Learning for future pilots.. airplane interests in general.	3/22/2022 10:01 AM
30	Kids can learn from STEM at the airport.	3/21/2022 11:18 PM
31	Young eagles, CAP cadet program. Glendale college flight academy.	3/19/2022 12:23 PM
32	The jobs and inspiration from aviation is one of the great things the airport provides!	3/10/2022 3:03 PM
33	The Young Eagles program offers youth wonderful opportunities to engage with aviation.	3/8/2022 9:15 PM
34	At the park	3/8/2022 3:23 PM
35	Create a skate park and another pool.	3/4/2022 10:23 AM
36	Art can be chosen by kids from local schools. If we have a pond or lake we can do science projects there. Field trips to a museum etc.	3/3/2022 2:54 PM

Q12 Financial Investment in / Revenue for the Community

Answered: 30 Skipped: 13

#	RESPONSES	DATE
1	(check mark)	6/9/2022 1:04 PM
2	The airport is a potential source of progressive training and education which is not available anywhere else in this area.	6/9/2022 1:02 PM

4	Airports provide revenue for the community, but local residents often do not understand, or care.	4/28/2022 7:18 PM
5	The Airport is an important resource for the Entire Community and part of the Aviation Network of the entire Country.	4/28/2022 2:19 PM
6	I don't think we need more apartments we need green space	4/19/2022 9:46 AM
7	We need green spaces, urban renewal and more sidewalks not an extension of operations from the airport	4/16/2022 7:44 PM
8	Great resource.	4/12/2022 6:55 PM
9	There is 8 million sq ft of developable land, meaning at least 3 million sf for commercial, industrial and residential use. The job count and housing unit count would be in the thousands	4/1/2022 11:06 AM
10	Doesn't it generate revenue as is	3/24/2022 6:45 PM
11	I think this should come from the County. And whatever Whiteman Airport gets in rent or taxes, should go right back to OUR community. Not to Pacoima Beautiful. Not to non-profits. From County to people (so I guess through County resources offered at the Airport). The County can do trainings, workshops, fruit tree give-aways, backpack giveaways, etc. at the Airport. I think a Community Center would be nice, at the Airport. The community organizations could host meetings, summits, etc. there. Town halls could be held there.	3/24/2022 12:50 PM
12	It's not all about money for some crazy developers or for our elected officials.	3/24/2022 12:34 PM

14	More problems	3/23/2022 8:35 PM
15	I assume they pay property taxes like the rest of us.	3/23/2022 4:41 PM
16	Investment by the County in providing a space & utilities for a good restaurant there or a larger meeting space could potentially bring good revenue that would bring in people from outside, and so benefit the community.	3/23/2022 3:17 PM
17	The airport is an excellent source of revenue.	3/23/2022 12:42 PM
18	Historically, the only people that make money on a redevelopment project are the developers and the politicians that accepted the bribes from the developers.	3/23/2022 12:30 PM
19	Steal from those using the airport and the activity it does support?	3/23/2022 10:58 AM
20	The personnel at the airport do make use of the roads and restaurants and businesses in the vicinity.	3/22/2022 4:50 PM
21	More financial investments to improve the airports safety and usage. Earmark added revenues for local aeronautic education programs at schools and to fund a aeronautic academy oniste for youth.	3/22/2022 2:59 PM
22	Will Pacoimans do the investing?? That will be done by outsiders and the rich, like Monica Rodriguez's backers.	3/22/2022 2:31 PM

FEEDBACK FORM Re-envisioning Whiteman Airport: A Community-driven Process

23	Unaware	3/22/2022 10:01 AM
24	Replace corrupt politicians, that the first step.	3/21/2022 11:18 PM
25	The last "community airport" in the SF Valley. An alternate & destination for GA pilots bringing their business to Pacoima.	3/19/2022 12:23 PM
26	Nothing will provide anywhere near the same economic benefits to the community or the county as the airport.	3/10/2022 3:03 PM
27	The airport is a key driver of revenue and opportunities for the local economy.	3/8/2022 9:15 PM
28	Invest in the airport	3/8/2022 3:23 PM
29	The city should invest in long excluded areas.	3/4/2022 10:23 AM
30	If we added those amenities it would create revenue for the community.	3/3/2022 2:54 PM

Q13 Inequality

Answered: 26 Skipped: 17

#	RESPONSES	DATE
1	It is crushingly unfair that some people only see a possible windfall for themselves by destroying a neighborhood landmark for a lot of money.	6/9/2022 1:02 PM
2	The airport is an equalizer by providing free aircraft mechanic classes through North Valley Occupational Center.	5/22/2022 10:31 PM
3	Fear of aviation accidents is sometimes greater than fear of automotive accidents, industrial accidents, crime, etc. Education might resolve the inequality.	4/28/2022 7:18 PM
4	The Airport must be a resource for all and because of location it can address inequality by providing High Paying Jobs.	4/28/2022 2:19 PM
5	Very little access to the whiteman airport in many aspects to social justice barriers	4/16/2022 7:44 PM
6	Irrelevant question. No inequality issues here.	4/12/2022 6:55 PM
7	This is an issue of race. A much more valuable airport, Santa Monica, was closed down in response to community outcry. If this was not a community of color, this airport would already be a long way to closure. And the majority of current airport users are white, as opposed to a 95% minority Pacoima.	4/1/2022 11:06 AM
8	Give me a break. I live near a landfill	3/24/2022 6:45 PM
9	Just to be fair and to respect and have a place to gather	3/24/2022 2:24 PM
10	We need more studies. I think the idea of inequality and how to address it was woven throughout my earlier answers. To the extent there is inequality, we want to raise our community, not tear down the resources we have. I want to see our children become pilots, mechanics, engineers. I'm not mad that someone else has a plane. To the extent there is any pollution, please provide that information. No excuse for that. But I don't know if an airport is worse than high-density housing and thousands more cars driving through that area every day.	3/24/2022 12:50 PM
11	Maybe at some point resurface the runways, but don't close the airport.	3/24/2022 12:34 PM
12	The City fails to invest in Sunland/Stonehurst/Pacoima/LVT. The first person to invest in our community has been Monica Rodriguez.	3/24/2022 10:46 AM
13	Yes Burbank, planes will fly over us, and cause pollution and wifi 5G interruption	3/23/2022 8:35 PM
14	I don't believe this is a center of racism or unfair treatment.	3/23/2022 4:41 PM
15	I don't see this as an issue. I spoke to an employee of Vista Air at both open house community meetings, who told me that the company is a great company to work for. Based on my conversation with him, I would think that Vista Air is an "equal opportunity employer" (You can ask them directly.). Local residents could apply to work there (when there are openings), or at any new businesses which you decide to operate out of the airport facility.	3/23/2022 3:17 PM
16	N/A	3/23/2022 12:42 PM
17	What does changing an airport into something else have to do with inequality? If the comment is on how flying an aircraft has to do with being rich, then County of Los Angeles, spend some money on the youth and teach them how to fly, earn a living flying, maintaining an aircraft, earn a living maintaining an aircraft.	3/23/2022 12:30 PM
18	N/A	3/23/2022 10:58 AM
19	Like that has been resolved all throughout the US. Whiteman Airport is open to all people of colors, creeds, gender/transgender, all sexual orientation, and ages.	3/22/2022 4:50 PM

FEEDBACK FORM Re-envisioning Whiteman Airport: A Community-driven Process

20	Research on a local community member co-op program for airplane ownership.	3/22/2022 2:59 PM
21	Whiteman's doors are open to any and all people who walk in. And the racist remarks that the airport should be eradicated because its name is "White-man" is cheap, shameful, political rhetoric.	3/22/2022 2:31 PM
22	???	3/22/2022 10:01 AM
23	I'm a first-generation Mexican American. If the city takes the airport away from me because it has the power to do so and I can't stop them; that is inequality.	3/21/2022 11:18 PM
24	Having a high tech / aviation center in this community brings unique opportunities to lift the community. Removing the airport does nothing to improve inequality.	3/19/2022 12:23 PM
25	What inequality?	3/8/2022 3:23 PM
26	The airport is the symbol of inequality, companies and individuals that can afford air travel even as a hobby with Pacoima residents that have to rely on public transportation right next to the airport to commute to work.	3/4/2022 10:23 AM

Q14 Quality Jobs / Job Creation

Answered: 31 Skipped: 12

#	RESPONSES	DATE
1	(check mark)	6/9/2022 1:04 PM
2	The airport offers educational, training opportunities that are not available elsewhere.	6/9/2022 1:02 PM
3	The airport has jobs and there are enough jobs in LA	5/22/2022 10:31 PM
4	Airports create quality jobs.	4/28/2022 7:18 PM
5	The Aviation and related Industries can increase Quality jobs in the Area.	4/28/2022 2:19 PM
6	More for everyone	4/19/2022 9:46 AM
7	Whiteman Does not serve on a needed local pacoima community scale since operations and occupation	4/16/2022 7:44 PM
8	Great resource for our community.	4/12/2022 6:55 PM
9	While there are a few good jobs at Whiteman, it pales in comparison to the thousands of jobs possible if the space was made available for light industry, eg, movie studios, green manufacturing or fulfillment, or community serving retail.	4/1/2022 11:06 AM
10	The existing jobs are excellent	3/24/2022 6:45 PM
11	Jobs for people like pop ups at the farmer market u could use foodstamps at the farmers market	3/24/2022 2:24 PM
12	I met 2 young men at Whiteman. One Latino man got his pilot license at age 18 and another 17 year old who is in process for his license.	3/24/2022 1:48 PM
13	Yes, this is a great idea, especially at the Airport.	3/24/2022 12:50 PM
14	There's always quality jobs and job creation by upgrading Whitman airport but don't close it.	3/24/2022 12:34 PM
15	Quality jobs will clean up the community. The Commercial industries here are terrible polluters and unregulated. Its gross.	3/24/2022 10:46 AM
16	Bring airport training from near by campuses or schools	3/23/2022 8:35 PM
17	This is already a large employer in that area.	3/23/2022 4:41 PM
18	Whiteman Airport may be one of the smaller functioning airport facilities within the confines of the city of Los Angeles, but it DOES provide training in aerospace skills at a much lower cost than many other airports. People who get certified to work in this aerospace field are able to get really good-paying jobs with large companies in a highly respected field of work.	3/23/2022 3:17 PM
19	Definitely jobs are growing with the airport being open rather than a park.	3/23/2022 12:42 PM
20	Define quality Job... (pay of \$15, 20, 25 per hour? none of those are!) At first the only jobs that will be needed are in construction. The developers already have their crews together, so they will be trying to maintain work for their crew and very small amount of jobs will be created. After the construction is done, what types of commerce will be brought to area? Traditional low paying jobs? If the County of Los Angeles can entice some company that pays over a minimal amount for wages to come in that would help. One needs to put into the calculation at the immediate loss of jobs in the area due to a decision to bulldoze the Airport. There is an infrastructure built up for that airport. Go as Burbank what happened to the mom and pop restaurants and manufacturing houses collapsed when Lockheed left in 1991.	3/23/2022 12:30 PM
21	Would manufacturing plants be build? Otherwise no quality jobs, just more office workers and fast food clerks	3/23/2022 10:58 AM
22	You cannot get the skills and education from veteran pilots, aircraft specialists and information	3/22/2022 4:50 PM

FEEDBACK FORM Re-envisioning Whiteman Airport: A Community-driven Process

from low-wage sites like at Subway, Jim's Liquor store or Sally's Nail Salon. Knowledge is power and the airport's information can lead to high-paying careers in aviation industries.

23	Work with local onsite business and employers and workforce programs to open onsite qualified (may require training) employment opportunities.	3/22/2022 2:59 PM
24	Every job that will allegedly be created will first bring more vehicles to pollute, and more industrial pollution in the form of heating and air-conditioning. And does LA have the water to fit all those acres with water service?	3/22/2022 2:31 PM
25	Airplane mechanics.. pilot instruction.. I'm many jobs could be there	3/22/2022 10:01 AM
26	The airport employs people.	3/21/2022 11:18 PM
27	Excellent high tech jobs. Our the training ground (flight training) for those jobs. Extremely high value that can't be measured.	3/19/2022 12:23 PM
28	The airport provides great jobs!	3/10/2022 3:03 PM
29	The airport creates jobs!	3/8/2022 9:15 PM
30	Create airport jobs	3/8/2022 3:23 PM
31	in developing the park, the jobs should go to residents of nearby zipcodes.	3/4/2022 10:23 AM

Q15 Transparency (accessible and understandable information)

Answered: 23 Skipped: 20

#	RESPONSES	DATE
1	This is. Wry important	5/14/2022 3:00 PM
2	Airports need to improve transparency.	4/28/2022 7:18 PM
3	Local Community must be informed of all Developments.	4/28/2022 2:19 PM
4	Lack of communication since founding operations	4/16/2022 7:44 PM
5	Accessible, understandable, and transparent.	4/12/2022 6:55 PM
6	The community still has not received sufficient information regarding emergency uses, environmental impacts, and the missed opportunity costs of airport versus other uses. The County wants us to believe the airport benefits the community, period.	4/1/2022 11:06 AM
7	Make it available to everyone no matter age or weight or nothing	3/24/2022 2:24 PM
8	The information could be translated into Spanish to help welcome the local community.	3/24/2022 1:48 PM
9	100%. There is no transparency. Why did Sheila Kuehl take the first step to shut down the airport. That was a slap in the face. She is pretending to seek community input with these CAC meetings and then she totally disregarded us. Commissioner Veronica Padilla is plotting with Commissioner Bobby Arias / Community and Schools (?) to shut down the Airport and then they come to meetings and pretend like they want to hear from the Community. Monica Rodriguez says that the Airport has been responsive. How so? She told them to die and they wouldn't? As far as the Airport, the manager or whoever's name and phone number should be listed on the website and the website should be updated with who to contact for complaints, questions, reservations, youth services, etc. Also, the amount of money coming in and how much of it is going to our community and how, should be easily accessible - maybe on the website too.	3/24/2022 12:50 PM
10	If only that was the case. But we always find someone sweeping the truth under the rug. Transparency between developers and elected officials doesn't exist. :-(3/24/2022 12:34 PM
11	Provide public storyboard of airport and issues to circulate to prevent misinformation in the community that leads to poor decision making.	3/24/2022 10:46 AM
12	Give all stakeholders an opportunity to be on the board not pre assigned.	3/23/2022 8:35 PM
13	I've never had a problem getting information on the airport when it was desired.	3/23/2022 4:41 PM
14	I think that "transparency" with how everything is being handled is a VERY big issue in the public's eyes these days. Good "transparent" information put out by the County, the City and from every other organization or agency operating withing or on behalf of our communities is really, really important. (?? Suggestions ?? about how to make this happen? I'm not sure. Perhaps you can come up with some practical steps that need to be implemented ?)	3/23/2022 3:17 PM
15	Have more public meetings.	3/23/2022 12:42 PM
16	Of course, this whole project would need full transparency	3/23/2022 12:30 PM
17	N/A	3/22/2022 4:50 PM
18	Quarterly community meetings reporting out safety, fiscal updates and community and business activities etc (as appropriate and applicable).	3/22/2022 2:59 PM
19	The blatant—and transparently false—MISINFORMATION put out about pollution and racism completely discredits the organizations using those nonsense phrases.	3/22/2022 2:31 PM
20	Ask and seek	3/22/2022 10:01 AM
21	I drove myself to the airport and found out what resources they offered.	3/21/2022 11:18 PM

FEEDBACK FORM Re-envisioning Whiteman Airport: A Community-driven Process

22	Accessibility should always be available	3/8/2022 3:23 PM
23	Yes of course, this need to be done.	3/4/2022 10:23 AM

Q16 This is an opportunity to re-envision the Airport and its community partnership from your perspective, and to consider the range of possibilities and possible recommendations for now and the future. How can the airport improve - whether a decision is made to maintain the airport or pursue closure (the process is regulated by FAA guidelines and includes a lengthy timeframe)? What improvements can be made? This is also an opportunity to submit any potential ideas of other land uses if the airport was to close in the future.

Answered: 39 Skipped: 4

#	RESPONSES	DATE
1	A school of aviation to train students for a future in aviation and emergency rescue, etc.	6/9/2022 1:02 PM
2	Learning center/Airport Museum/Restaurant/Hotel. Homeless mini-houses, Open space + animal therapy enter for mental problems, Equine + other animals emergency shelters, equine animal hospital	6/9/2022 12:31 PM
3	Airport has been there for more than 50 years. Why remove landmark from Pacoima history?	5/24/2022 8:34 PM
4	Do not pursue closure. We desperately need this airport.	5/22/2022 10:31 PM
5	I personally think the airport should remain open. I think some more community outreach so that the community knows what is available to it. This would benefit the airport and the community. I love that there's a Young Eagles chapter there. I'd be great if there were some kind of dining experience at the airport that was a little more accessible and available to the neighborhoods around there. Or even if there was a special night once a month or patrons could come and dine and haven't unique experience.	5/14/2022 3:00 PM
6	People complaining about airport problems are often confused, or too emotional, but they are the most vocal, and might get an airport closed for all the wrong reasons, while representing a small minority of local residents.	4/28/2022 7:18 PM
7	No additional comments	4/28/2022 3:33 PM
8	Because of Massive shortage of Industrial buildings and the potential of creating great jobs in Drone Technology or Aviation improvements.	4/28/2022 2:19 PM
9	Community garden and a youth center to help after high school what can u do	4/19/2022 9:46 AM
10	Shut it down and give the community a chance to actually speak not just aviation users that consider themselves community and don't deal with day to day whiteman airport private aircraft operations	4/16/2022 7:44 PM
11	Yes. Whiteman could be and should be improved. It should not be a decision for a selected group of biased individuals who have no clue as to the importance and resourcefulness of this historical airport for our community. Pacoima Beautiful has no right to decide for our entire community. Somehow I feel that everyone opposing the closure of this airport is in the hands of selected biased few who are clueless, who do not even know the history of this airport. If this is the case, then you should petition to close Burbank airport, Van Nuys airport, why don't you? Because you cannot. Because Burbank and Van Nuys are under the umbrella of the World Airports and not a scapegoat of the city and the county officials to toy with. Enough is enough. Wake up people and get out of your boxes. Educate yourselves, there are many resources as to Whiteman operations, functionality, room for improvement, and a resource for our youth. Whiteman IS VERY IMPORTANT FOR OUR COMMUNITY. And this is backed by facts and not Pacoima beautiful hearsay, ungrounded stupid allegations. You do not shut down an important airport claiming non existent noise. Airport was there before you got there. You	4/12/2022 6:55 PM

FEEDBACK FORM Re-envisioning Whiteman Airport: A Community-driven Process

had a choice to pick your homes elsewhere, but you chose Pacoima and Whiteman was there way before you got there. Reason up! It's a shame that people are so clueless, so not informed, so unreasonable. You do not close an airport because there was one or two crashes in the last 70 years. People have not heard about statistical data in Pacoima. The state of mind of people is so disturbing.

12	Please keep the airport open.	4/12/2022 6:41 PM
13	The County should engage in a true re-envision process with land use experts and planners that with the community develop multiple scenarios for closing the airport and creating a planned project with multiple recreational, open space, residential and commercial uses.	4/1/2022 11:06 AM
14	DO NOT CLOSE IT!!!	3/24/2022 6:45 PM
15	I'll let you know we need is a place it's for the use also for pets that don't have homes to go to	3/24/2022 2:24 PM
16	More interaction from the community and the airport.	3/24/2022 1:48 PM
17	I am totally opposed to shutting down the airport. The Northeast Valley actually has something that is valuable and rare. I think we should be funneling the money from the plane owners for storage right back to the community. I think we should be teaching OUR kids how to fly, OUR kids the technical skills to fix airplanes, mechanics, engineering, etc, OUR kids airport administration, and OUR kids how to budget for and own an airplane, OUR kids how to work for the airport or public works division of the County. It's not us against anyone - It's how do we raise our community to reach every level of society? I think that pilots tend to be leaders and I want to break the ceiling and put our community, which includes low-income, under-represented, under-resourced, Latina/o and African American and more, in those positions. We can do this with the airport remaining as it is. I would like to see the County invest in these programs. The North Valley Occupational Center has an Aircraft Mechanic Technical Program at Van Nuys Airport. Why not at Whiteman? Glendale Community College has a pilot training program at Whiteman? Why not invest in that program so that students at Mission College and Valley College can participate? Santa Monica Airport has a Flying Museum. Why can't we have a museum honoring the Tuskegee Airman - showing our kids that they can succeed and be great! Santa Monica also has creative space for lease. Both airports have many small businesses renting offices. We can have farmer's markets and small business pop ups. They can get a jogging trail in the hills. The Airport and surrounding community can definitely be made more beautiful with trees, landscaping, painting the fence green, etc. The County is willing to spend billions to shut Whiteman Airport down and hand out the money to developers - give the money to invest in us. I would also like to see a few County buildings on the property so that we never have to go to downtown LA (taking time off work, in hours of traffic, and paying \$20 for parking) to access County resources. I do not think it is appropriate to cram low-income or high-density housing right between San Fernando Gardens and the Pierce Street apartments. Nor is it treating people with dignity. All the studies show that it is a bad idea to force low-income high-density housing. And the Airport is literally adjacent to one park, across the street from another park, and one block from a third park. Pacoima needs green space, but not right next to green space.	3/24/2022 12:50 PM
18	First off maybe just a name change for the airport. But if it does close then plans for a bigger better airport. Enough said!!	3/24/2022 12:34 PM
19	Ecological restoration and community access.	3/24/2022 10:46 AM
20	Get rid of Monica and the rest of the crew. Garcetti is a joke and the rest are followers.	3/24/2022 10:43 AM
21	Bring aircraft control classes to train, which will encourage the Latino community to study other opportunities, which would be limited.	3/23/2022 8:35 PM
22	I see no reason to change the function of Whiteman Airport. Everyone who moved to that neighborhood was aware of the presence of an airport. Small airports perform important functions, not only for plane owners but those employed there and those who seek an education. I don't think Whiteman should stop being an airport. I would support improvements to the facility to make it even more accessible.	3/23/2022 4:41 PM
23	I put some of my suggestions in the context of your Question #9 above. I don't want the airport to close. I think that it is too big of a resource that is located in the San Fernando Valley, which serves the whole Valley and surrounding areas as a place for emergency services to be staged during any kind of catastrophe that may befall our area. IF you do decide close the airport, (please don't, but if you do), then please have a full-scale planned-use of the property in place	3/23/2022 3:17 PM

FEEDBACK FORM Re-envisioning Whiteman Airport: A Community-driven Process

before you exercise said closure. Don't let it fall into the disrepair that the closure of San Fernando Airport experienced. The swap-meet there does NOT add prestige to the community there. In fact, it is a mess over there. All the street vendors crowding the streets around that locale make it even worse (especially on swap meet days.) Such a land-use would not make "Pacoima Beautiful". IF the airport is closed, the space of land should NOT fall into the hands of developers and become a "land-grab" or a "land-give-away". I, as a resident, would be extremely disappointed in my officials if something like that were to happen. IF you do decide to close it - be sure that whatever goes up there is not something where the people will complain about the train noise or the already heavy street traffic in the area. You would have to figure that one out. As for my personal suggestion: Please consider improving all of the facilities of the airport to operate AS a good-quality and functional "airport"; and that it is suitable constructed to accommodate all of the emergency services aircraft and operations that may need to operate out of there in emergencies. And finally, as stated above, improve it for day-to-day use by our community by making a good meeting space and perhaps a good quality restaurant. Thank you for your consideration.

24	We oppose closing the airport. The airport generates income, has opportunity for more jobs, safety programs for the community, emergency services, etc.	3/23/2022 12:42 PM
25	Re-envision the Airport as an Airport. The County has to live within Government Guidelines, so what. Call me, I will help you put the proposal together. Lengthy Timeline?? Versus how many years that it will take to bulldoze was it there and then sit empty until the plans and funding can be found. Find a manager who can do this and start to get it done now.	3/23/2022 12:30 PM
26	Add a restaurant	3/23/2022 11:30 AM
27	Obviously the tone of the survey is to close the airport, not protect the airport. It is an example of diversity and historic use in the community. Is this the next big land theft in the valley?	3/23/2022 10:58 AM
28	Provide more funding for outreach and personnel that specialize in outreach and leave the pilots and aircraft specialists to do perform their craft.	3/22/2022 4:50 PM
29	The airport use should remain the same only adding an aeronautics academy for local Northeast Valley students to be exposed to and explore the many opportunities in the field. Continued quarterly open house days and offering free flight experience.	3/22/2022 2:59 PM
30	AS ABOVE, find less-used sections of the airport and build them out with youth facilities, academic tutoring, physical training, shop, home & infant care, vocational and manual arts training! Let LA and CD7 SPEND some money improving Pacoima, instead of politicians always profiting. Today, it's by closing an airport and selling it to developers. What will be next?	3/22/2022 2:31 PM
31	I can agree to update the airport.... But closing it just for developers to come in and build more of what we don't need and pockets of politicians is absurd. We have enough of that.	3/22/2022 10:01 AM
32	I'm glad the FAA has guidelines for closure. Whiteman just celebrated the 70th anniversary for the women's pilot association and that's progress.	3/21/2022 11:18 PM
33	Develop the airport to increase its value to the community.	3/19/2022 12:23 PM
34	Keep the airport! It's an invaluable resource for the community and county. Nothing else can provide anywhere near the same benefits. Once an airport is closed, it is never reopened. Let's not permanently lose the massive economic benefit and emergency services that the airport provides!	3/10/2022 3:03 PM
35	Keep the airport	3/9/2022 8:36 AM
36	Please keep our airport!	3/8/2022 9:15 PM
37	Classes should be made available to students to become aircraft maintenance people. Trade schools for community services	3/8/2022 3:23 PM
38	An airport so close to densely populated communities and vital transportation networks can't be improved. Pursue closure of the airport. There are plenty of other small aircraft airports nearby (Van Nuys, Burbank) that can fill the needs of the aircraft owners. Redevelop the land into a park and affordable housing.	3/4/2022 10:23 AM
39	Please see the abovementioned items. I AM IN SUPPORT OF CLOSING DOWN WHITEMAN AIRPORT NO MATTER HOW LONG IT TAKES.	3/3/2022 2:54 PM
